## Seven Gangsters Slain In Chicago Massacre

Bodies of six men listed by police as gangsters, as they looked after being lined up against wall and riddled with shotgun and machine gun bullets in Chicago. Two hours later a seventh victim died in a hospital. The slaughter is believed to have climaxed an intense beer and alcohol war between rival gangs.

CHICAGO Feb. 15.—A direct-  
fire Chicago policeman had  
killed seven gangsters, lined  
up against a wall and massacred  
with machine guns, today. The  
slaughter was made here today  
by F. D. Sullivan, deputy proba-  
tion administrator.

Sullivan made the charge after he  
received reports made by his  
men investigating the liquor  
business, the worst in the history  
of Chicago, in which the entire  
city of George "Bugs" Moran  
and his liquor bug was wiped  
out.

as being a Cadillac such as  
used by the Moran gang. It was

UPPER SANDUSKY, Feb. 15.—  
G. Murray, Democrat, was officially  
declared elected to the office of com-  
missioner of Wyandot county follow-  
ing the completion of a recount of  
votes for that office in the county  
shortly before noon today. The re-  
count showed Murray in the lead of  
his opponent, Charles F. Frey, Re-  
publican, by five votes.

The recount was ordered by Judge  
Paul B. Carter following testimony  
taken in common pleas court where  
the case was carried from the court  
of a justice of the peace. Disputes  
arose over the counting of the votes  
resulted in the filing of the suit by  
Charles F. Frey, the retiring commis-  
sioner, and a candidate for the office at  
the November election.

Murray was represented by E. F.  
Guthrie, Marion and A. K. Hall,  
Upper Sandusky, and Frey by Frank

## Concern Over Koon's Soul Is Foremost in Mind of Murder Victim's Widow

No Sign of Hatred or Desire for Revenge Shown in Words of  
Mrs. Foss Today as Husband's Slayer Faces Chair.  
Aged Woman Now at Daughter's Home

I would be happier after this than  
ever tonight if I knew that his soul  
was acceptable to God.

This was the expression of Mrs.  
Henry Foss today in a conversation  
with a representative of The Marion  
Star. Mrs. Foss referred to Everett  
Koon who tonight was to pay the  
supreme penalty for murdering the  
aged husband of Mrs. Foss.

There is no hatred or revenge in  
the heart of the fragile white-haired  
old lady as she recalls the tragedy  
that has left an unerasable scar on  
her memory. Tears sprang to her  
eyes and rolled down her cheeks to-  
day as she said I have hardly  
thought of him. The loss is more than  
I can stand.

A visit to the community in which  
the tragedy occurred last May re-  
veals no physical signs of the brutal  
murder of the aged farmer. The quiet  
countryside has returned to normal  
from all outward appearances. The  
peacefulness brought by the heavy  
blanket of crystal white snow belies  
the story that a few short months  
ago the community was throbbing  
with the news of one of the most  
brutal murders in the history of the  
county. The marks of the crime have  
been erased. But the scars over the  
heart of Mrs. Foss and her family  
are still unhealed.

Mrs. Foss, sat quietly in the home  
of her daughter and son-in-law, Mr.  
and Mrs. George Bird at Licensa, Ia.  
today as the story of the crime was  
retold. She had little to say as she  
recalled the tragedy in the home, room  
of the third house. Occasionally she  
smoothed back the thinning hair that  
matches the snow outside for white  
as she

## MURDER'S TOLL TEN IN CHICAGO

CHICAGO Feb. 15.—Chi-  
cago's Valentine murders to-  
day added to a survey here today  
of the men who were massacred in  
the Chicago massacre.

A woman was slain by her  
husband who then killed him-  
self.

Two men, Peter Moss and  
George Jones were killed in a  
fight with a man said to be  
Alvin Lee.

Seven all witnesses testified the  
man had both a gun and a gang.  
A squad from the bureau hijacked  
the car from the Moran gang  
three weeks ago. Sullivan  
said that took place in  
Chicago, according to our  
information.

There were 500 cases in that hotel  
for Moran crowd was bitter.

The started pressure through  
political connections to force  
return of the liquor and the  
city was fearful of getting into  
a war with the federal courts.  
Our theory is that the police

the Russians would pay. And what is  
more important he declares that  
Russia seems to have gone further  
than any of us in thinking out the  
application of industrial methods to  
the business of farming.

Henry Ford apparently believes  
Russia will pay or perhaps he collects  
his money in advance. At all events

Russia in one order and will ship  
more from his tractor plant in

train. If the Germans do not suc-

they do succeed.

## DIES AFTER FIGHT

High School Boy Held After Felling  
Student Success

BRANTON Feb. 15.—Curtis Her-  
ren, 16, high school student, of Russell  
st., who suffered a broken leg in a  
fight with a fellow student, died in a  
hospital here today.

Roby has been arrested by Sheriff  
Edward Tinsley of Greenup county  
and is being held in jail awaiting ar-  
rangement on a charge of man-  
slaughter.

The fight is said to have resulted  
when Herron made fun of Roby's  
ability to shoot goals during basket-  
ball practice in the Russell high school  
gymnasium.

through her apartment window, Mrs.

struggling with a flaming fire as his  
body was being blown from a broken  
gas connection.

Rushing to the fire escape, she  
jumped the seven-foot chasm between  
the two buildings, threw water on  
Bitter's burning clothing and rolled  
him in blankets until the fire was  
out. Her heroic efforts were in vain,  
however, for Bitter died a few min-  
utes later.

## INDUCT SOPER AS PRESIDENT IN POMP, COLOR

Ohio Wesleyan Surrounds In-  
auguration of New Proxy  
with Much Ceremony

DEGREES CONFERRED

New School Head Cites Need  
of Teachers with Christian  
Character

(Special to The Star)  
DELAWARE Feb. 15.—Attended  
by the most prestigious ceremony  
which has ever been held in Ohio  
academic circles in recent years, Dr.  
Edmund Davidson Soper was in-  
augurated as the seventh president of  
Ohio Wesleyan university here this  
morning. Conferring of honorary  
degrees upon four distinguished col-  
lege presidents and the delivery of  
the Soper's inaugural address upon  
Academic Freedom in a Christian  
College were outstanding features of  
the program.

Representatives of some 170 colleges  
and universities gathered in black gowns  
which contrasted sharply with the  
brightly colored robes worn by the  
long academic procession which moved  
from Edgar Hall to Gray Chapel for  
the ceremonies of the morning.

Dr. Soper was inducted into the  
presidency of the university by Walter  
A. Jones, Columbus president of the  
board of trustees. When that point in  
the program was reached at which  
the late Bishop Theodore S. Henderson  
was to have delivered an address on  
Methodism and Higher Educa-  
tion, Mr. Jones on behalf of the uni-  
versity paid a brief but solemn tribute  
to Bishop Henderson, who was a  
trustee and a leader in university  
affairs.

Bishop Welch Gives Charge

The charge to the new president was  
given by Bishop Welch, former presi-  
dent of Ohio Wesleyan university, and  
was followed by Dr. Soper's inaugural  
address. Conferring of the degree of  
doctor of laws upon President William  
F. Fawcett, University of Durham,  
D. Carolina, President Merwin U.  
Hillier, Dickinson College, Carlisle,  
Pa., President G. Homer Oxman,  
DePauw University, Greencastle, Ind.,  
and Edward S. Parsons, Marquette Col-  
lege, Marquette, was the final feature  
of the program.

The inaugural ceremonies were  
held in an audience which over-  
flowed the capacity of Gray Chapel.

In discussing Academic Freedom  
in a Christian College in his inaugu-  
ral address, Dr. Soper took the view  
point that the Christian college pos-  
sessed the right to control its teach-  
ing.

## GOVERNOR COOPER REFUSES TO GRANT STAY OF EXECUTION

Executive Meets with State Clemency Board and  
Talks Over Telephone with Judge Scofield  
and Attorney Johnson

GIVES DECISION AFTER CONFERENCE

Slayer of Henry Foss Finds Only Chance To Escape  
Chair Gone as Final Action  
Is Taken

Everett Koon, 28, will be electrocuted at the Ohio  
State penitentiary tonight.

"I will not interfere with the scheduled execution,"  
Governor Cooper said at the end of a several hour confer-  
ence with members of the state clemency board at Co-  
lumbus today.

Executive intervention was Koon's  
only hope to escape from dying in the  
electric chair.

The decision of the governor came  
following earlier reports from Co-  
lumbus which had stated that there  
was probability of his granting a  
stay of execution.

The governor declared he had  
thoroughly reviewed the case and had  
been entirely convinced that Koon  
had received a fair trial and that he  
had been adequately convicted of  
deliberate murder.

Makes Thorough Inquiry

The chief executive stated he had  
not only conferred with members of  
the clemency board but had also con-  
ferred with Judge Scofield of Marion  
and Attorney Homer F. Johnson of  
Marion who defended Koon.

Both of the latter concurred in the  
governor's opinion that Koon had re-  
ceived a fair trial and that his over-  
interest had been antagonistic even  
to the extent of a full review of the  
case by the appellate court.

No new matter was presented at  
our conference today which would  
justify interference on the part of the  
governor, Cooper stated.

Shortly before noon today the gov-  
ernor conferred by telephone with  
Judge George H. Strobel of the com-  
mon pleas court here and Attorney  
Homer F. Johnson, Koon's attorney.  
Judge Strobel sentenced Koon after he  
had been found guilty by a jury  
here last July 11.

Attorney Johnson

Koon appealed to the governor last  
Wednesday for a reprieve or to com-  
mute the sentence to life imprisonment.  
At 2 o'clock the governor had not  
announced his decision.

## MOUSER CONCLUDES SERVICE WITH STATE

Retires from Attorney General's  
Office Preliminary to  
Term in Congress

COLUMBUS, Feb. 15.—Attorney  
Mouser, today ended a service  
in the state attorney general's office  
by tendering his resignation to At-  
torney General Gilbert H. Hays.

On March 1, Mouser will become  
congressman from the eighth Ohio  
district composed of Marion, Har-  
row, Crawford, Wyandot, Hardin  
and Hancock counties. Before ex-  
iting, the new office of Mouser expects  
to make a trip around the district  
to turn the work of his constituents  
over to his successor.

Mouser has been in the attorney  
general's office since early in 1927.  
He resigned the post of city solicitor  
of Marion to accept the state  
post.

While in the state office Mouser  
headed the state fight against an  
increase in tax rates and has been  
counsel to the state highway depart-  
ment.

## FIGHT MELLON

Southern Boys Frown On Request  
From Secretary

WASHINGTON, Feb. 15.—South-

to accept the proposal of Secretary  
of the Treasury Mellon to raise pro-  
hibition enforcement appropriations  
\$2,670,000 as a substitute for their  
extra \$24,000,000, found in the first  
deficiency bill.

The first deficiency bill apparently  
having been scuttled in conference  
through disagreement over the def-  
und, the southern boys were pre-  
paring to add the \$24,000,000 adden-  
dum to the second deficiency bill.

Mother and Daughter Face Other  
Murder Charges

ST. JOHNSBURGH, N.Y., Feb. 15.—  
Wife whippersnapper of other poisonings  
—an unbecomable state which de-  
clares death blows to unsuspecting  
victims—were added today to the  
charges of infanticide, killing Mrs.  
John Lewis, 40, and her daughter,  
Ophelia, 22, as further de-  
tails of alleged murder by deadly  
poison were brought to light here.

Mother accused of slaying seven  
children by poisoning and strangling  
Mrs. Lewis told authorities to-  
day that years ago in Big Rapids, her  
father, George Clark, was poisoned by  
a brother, Emerson Clark, who also  
poisoned his housekeeper.

## HOOVER LOOKS OVER HURRICANE SECTION

Gathers Data for Relief Legi-  
lation and Drainage  
System

MIAMI BEACH, Fla., Feb. 15.—  
In his life-time work of a skilled and  
competent engineer, President elect  
Hoover set out from his pre-laudatory  
honorarium here this morning for a  
two-day motor trip that will carry  
him nearly 300 miles through the area  
ravaged by the Florida hurricane  
last September.

It was Mr. Hoover's desire to view  
the locale personally to the end he  
would be better qualified to consider  
relief measures after assuming the  
presidency. The president-elect's  
itinerary will carry him through the  
Tampa and around Lake  
Okechobee where more than 2,000  
people perished when the storm  
literally lifted the water out of the  
lake and over the country  
side. There is a distinct drain-  
age problem in the possibility  
of another such disaster to be averted,  
and he wants to test his own en-  
gineering skill in that connection.

Accompanying Mr. Hoover were  
Major Gen. Edgar Jadwin, chief of  
army engineers, Representative  
Frank Field, Republican of Illinois,  
chairman of the house flood control  
committee, Gov. Doyle L. Carlton of  
Florida, and the state's experts and  
engineers. A cavalcade of 20 automo-  
biles was necessary to carry the  
whole party.

Today's trip will cover the 224-  
mile stretch between Miami Beach  
and Clewiston on Lake Okechobee.

## STRANDED STEAMER SENDS SOS FOR AID

Coast Guard Cutters Speed  
To Rescue Crew of  
Ship

BOSTON, Feb. 15.—According  
to handkerchief books, off Chatham  
the steamship Pacific, with 40  
aboard, was out on SOS call today.

The distress signals were picked up  
by the coast guard. The cutter  
Albatross from Woods Hole and the  
Towhee from sea immediately started  
to the aid of the stricken Pacific.  
The patrol boat Antelope, on duty in  
Nantucket sound, also sped to the aid  
of the marooned Pacific.

The Antelope was the first to reach  
the side of the Pacific. Efforts were  
being made to release her at anchor  
as it was believed that the Pacific  
was not seriously damaged.

## PLANT 300,000,000 TREES IN NEW KANSAS PROGRAM

TOPEKA, Kan.—Kansas will not be able to claim itself as the greatest prairie state if present state planning continues. A recent survey shows there are nearly 300,000,000 trees including more than 2,000,000 fruit trees all planted according to state agricultural program.

You never can tell. Good intentions are sometimes too good to be true.

## HELEN

of  
U. S. A.Helen Wills Self Taught in  
Tennis Tactics, Writer  
RevealsBY HARRY E. FLANAGAN  
Marion Star Staff Writer

BERKELEY, Cal., Feb. 15—After being continually defeated by his own daughter, Dr. Wills decided that Helen, as a reward, should be given a membership in the Berkeley Tennis Club. Helen was elated with the idea and immediately attracted attention on the courts of the club.

In 1919 Helen played in her first regular tournament, reaching the finals in the club's junior championship. She was defeated by Marjory Wiles after a terrific battle. Her coolness under fire was well remarked by the other players of the club and they too realized that Helen was going some place in the tennis world.

Helen, contrary to general opinion, is self taught. She perfected her own amazing collection of strokes, partly through experimenting and partly through watching the work of other players. At the time Helen played, Miss Wiles also was having considerable trouble with her serve. It was Howard Kinsley, who later turned professional after a brilliant career

as an amateur, who discovered that Miss Wills was taking the wrong grip on her racket. She changed her grip and improvement was noted at once.

## In Junior Rank

The following year Helen fairly blazed through the junior ranks and won the junior club championship, Longdon for the first time, but she

with eye, Meanwhile, William "Pop" Fidler had taken Helen under his wing and was seeing that she got the proper sort of competition or padding. When he thought she was ready for better opposition, he saw that it was forthcoming.

By this time Helen was able to dispose of any of the women players of the club and began playing against men, many of whom she was able to defeat.

In 1921 Helen was deemed ready for a try of national honors. So the underdog little girl of fourteen was taken east to play in the junior national championship. In winning the championship she displayed a brand of tennis which was a revelation to the eastern clubs and they predicted that another champion was in the making.

While Helen was campaigning in the east that year she saw Suzanne Lenglen for the first time, but she

probably never realized that one day she would meet the temperamental French star for the world's championship years later at Cannes, France.

## Playing Big Ones

Miss Wills has never forgotten the match played between Mlle. Lenglen and Mrs. Molla Burestedt Mallory on that occasion. "The French girl, it might be recalled, 'designed' after being defeated in the first set. In her book 'Tennis' written years afterward, Miss Wills described that incident as 'the most dramatic' she had ever seen on the courts."

It was this year, too, that Helen quietly told her father that she intended to become a national tennis champion.

"There was nothing beautiful about

that assertion," remarked Dr. Wills. "She informed me of her intentions in a most matter of fact way, and I was duly impressed, too. Helen had always been a tenacious sort of a girl and I knew that she would never be content until she had reached her goal."

1,000 Dead in Wave of Grippe,  
Trains Stalled All Over  
England

LONDON, May 15.—London, once again, is a city of suffering. The trains are stalled all over England, and the streets are filled with the sick and dying.

# A slave to SORE THROAT

—needlessly. Gargle Listerine—  
kills germs in 15 seconds

Are you miserable half of the time—a needless slave to sore throat? At the first sign of sore throat, gargle with Listerine, full strength. Time and time again it checks sore throat before it gets serious. Because Listerine, full strength, is powerful against germs that cause colds and throat irritation. For example, it kills even the stubborn B. typhosus (typhoid) germ in 15 seconds. Repeated tests prove it. You will be delighted to find how quickly Listerine checks ordinary cases of colds and sore throat. When it does not, call your physician. Our helpful free book, "Personal Hygiene," is worth having. Write to Dept. S 82, Lambert Pharmaceutical Company, St. Louis, Mo. U. S. A.

—And for COLDS  
Coldness starts when germs are carried to the mouth on food. By using Listerine on the hands before every meal you attack such germs and lessen the risk of cold. Remember this: Mother, when handling baby's food.

## Simplified Gingerbread

### This Week's Prize Recipe

MIXING TIME Less Than 6 Minutes For This  
Intriguingly Luscious Marshmallow Gingerbread

Mrs. Ray Johnson, a bride of a few months, seems pleased with her first attempt at Marshmallow Gingerbread.

## A Far Simpler Way In Baking

If your husband has a leaning to ginger bread try this simplified recipe. Of 272 women who tried it, 270 had perfect luck! Of the two who failed, one blamed her oven, the other a mistake in mixing. It's virtually a mistake-proof recipe.

By the development of an utterly new type of flour—Gold Medal "Kitchen tested" Flour—baking has been simplified amazingly for housewives. And the cause of most baking disappointments banished.

"Kitchen tested" means that every batch of this flour has been tested in an oven just like yours, before it goes to you. Tested for uniformity of result with home recipes.

That means Gold Medal Flour always acts the same way EVERY TIME with your recipes.

Ask your grocer for GOLD MEDAL "Kitchen tested" Flour. For perfect results, be sure and get that brand of flour before you try this recipe.

There's a Difference  
in Bread

It's when out-door air and exercise have developed kid appetites to "bear-size" that HOLSUM tastes best. It soon fixes that ravenous feeling, for there's rich nourishment in every loaf that goes right to the hungry spot. And no bread ever tasted quite so delightfully good.

So—don't say bread—say
